Packaging Automation Corp Receives 2013 Best of Saint Paul Award

Saint Paul Award Program Honors the Achievement

SAINT PAUL April 24, 2013 -- Packaging Automation Corp has been selected for the 2013 Best of Saint Paul Award in the Packaging Equipment & Machinery category by the Saint Paul Award Program.

Each year, the Saint Paul Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Saint Paul area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Saint Paul Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Saint Paul Award Program and data provided by third parties.

About Saint Paul Award Program

The Saint Paul Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Saint Paul area. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

The Saint Paul Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the small business community's contributions to the U.S. economy.
